PRESS RELEASE BY TRUSTEES OF LIVING HANDS TRUST

RE: BENEFICIARIES: REQUEST FOR AD HOC PAYMENTS

1. The Trustees resolved that the Trust is at this stage unfortunately not in a position to make any ad hoc payments to beneficiaries who have already received a partial payment, due to the provisions of the existing court order, which stipulates that payment shall be made according to a prescribed formula to verified beneficiaries.
2. We advise all the beneficiaries who have received a payment to await the finalisation of the litigation process.
3. The Trustees are trying to recover the loss on behalf of the beneficiaries, but such claim is still pending and the subject of litigation. We shall provide updated information regarding the progress of the litigation on the website.

Yours Faithfully,

THE TRUSTEES
